MEMORANDUM FOR OC-ALC/SB, WR-ALC/SB, Segers Aero Corporation

FROM: AFLCMC/WLN
420 Richard Ray Blvd
Bldg 301 West Wing Bay A Suite 1W1
Robins AFB, GA 31098

SUBJECT: Resubstantiation of Source Approval Request (SAR) Approval, AFSAR Control No., Case # SB-18-00976, Repair and Overhaul of C-130 QEC Part Numbers 3329878-5/7/19/21 per TO 16W14-12-3.

1. On 28 May 2019, C-130 engineering reviewed and approved Segers Aero Corporation, CAGE 0NMM2, SAR package for the overhaul and repair of 3329878-5/7/19/21 per TO 16W14-12-3. This letter constitutes the second resubstantiation of this approval beginning on 28 May 2025 and is valid until 28 May 2028 (three years).
2. If any of the criteria in FAR 9.207 is violated, this SAR approval may be withdrawn without advance notification and will be followed by a notice with specific details as to why the product or source is no longer able to meet the qualification requirements.
3. This approval is valid for three years, at which time Segers Aero Corporation is subject to substantiation, which can be submitted 6 months prior to the expiration.
 - a. This statement serves as the only advance notification Segers Aero Corporation (CAGE 0NMM2) will receive prior to expiration/removal as an approved source at the expiration date.
 - b. Reference AFMCI 23-113 (available via open internet) for any possible repair approval expiration waivers that may be available at that time. Waiver requests will be entertained within a period of six months prior to expiration date.
4. Questions may be directed to Derrick White at derrick.white.6@us.af.mil or (910)265-4302.
